
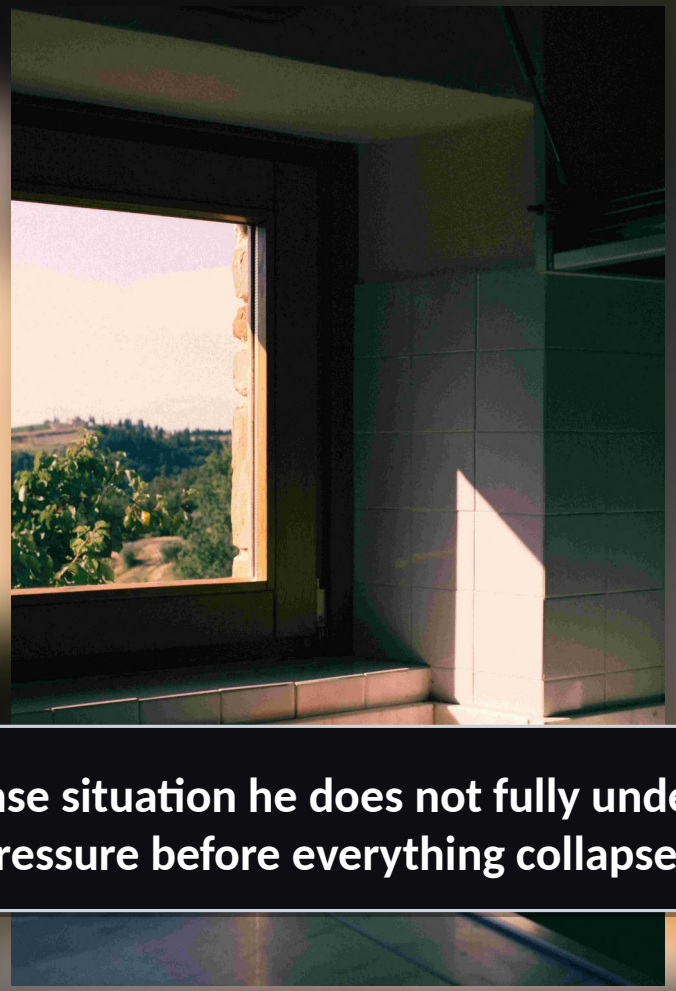
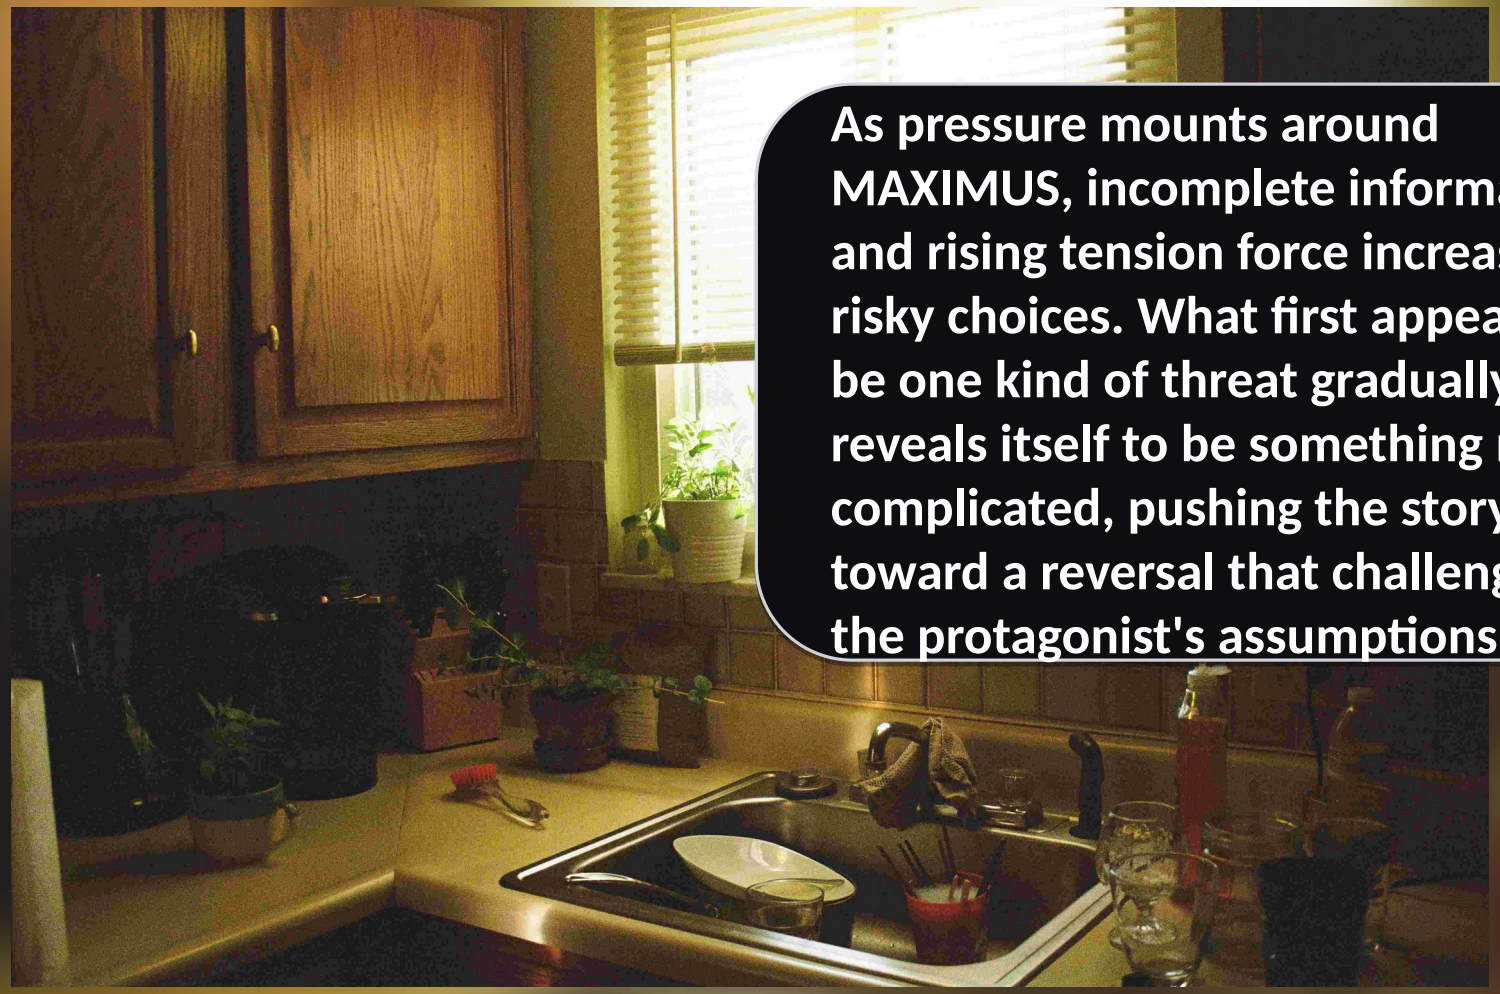
When MAXIMUS is pulled into a tense situation he does not fully understand, he must navigate mounting pressure before everything collapses.

Logline

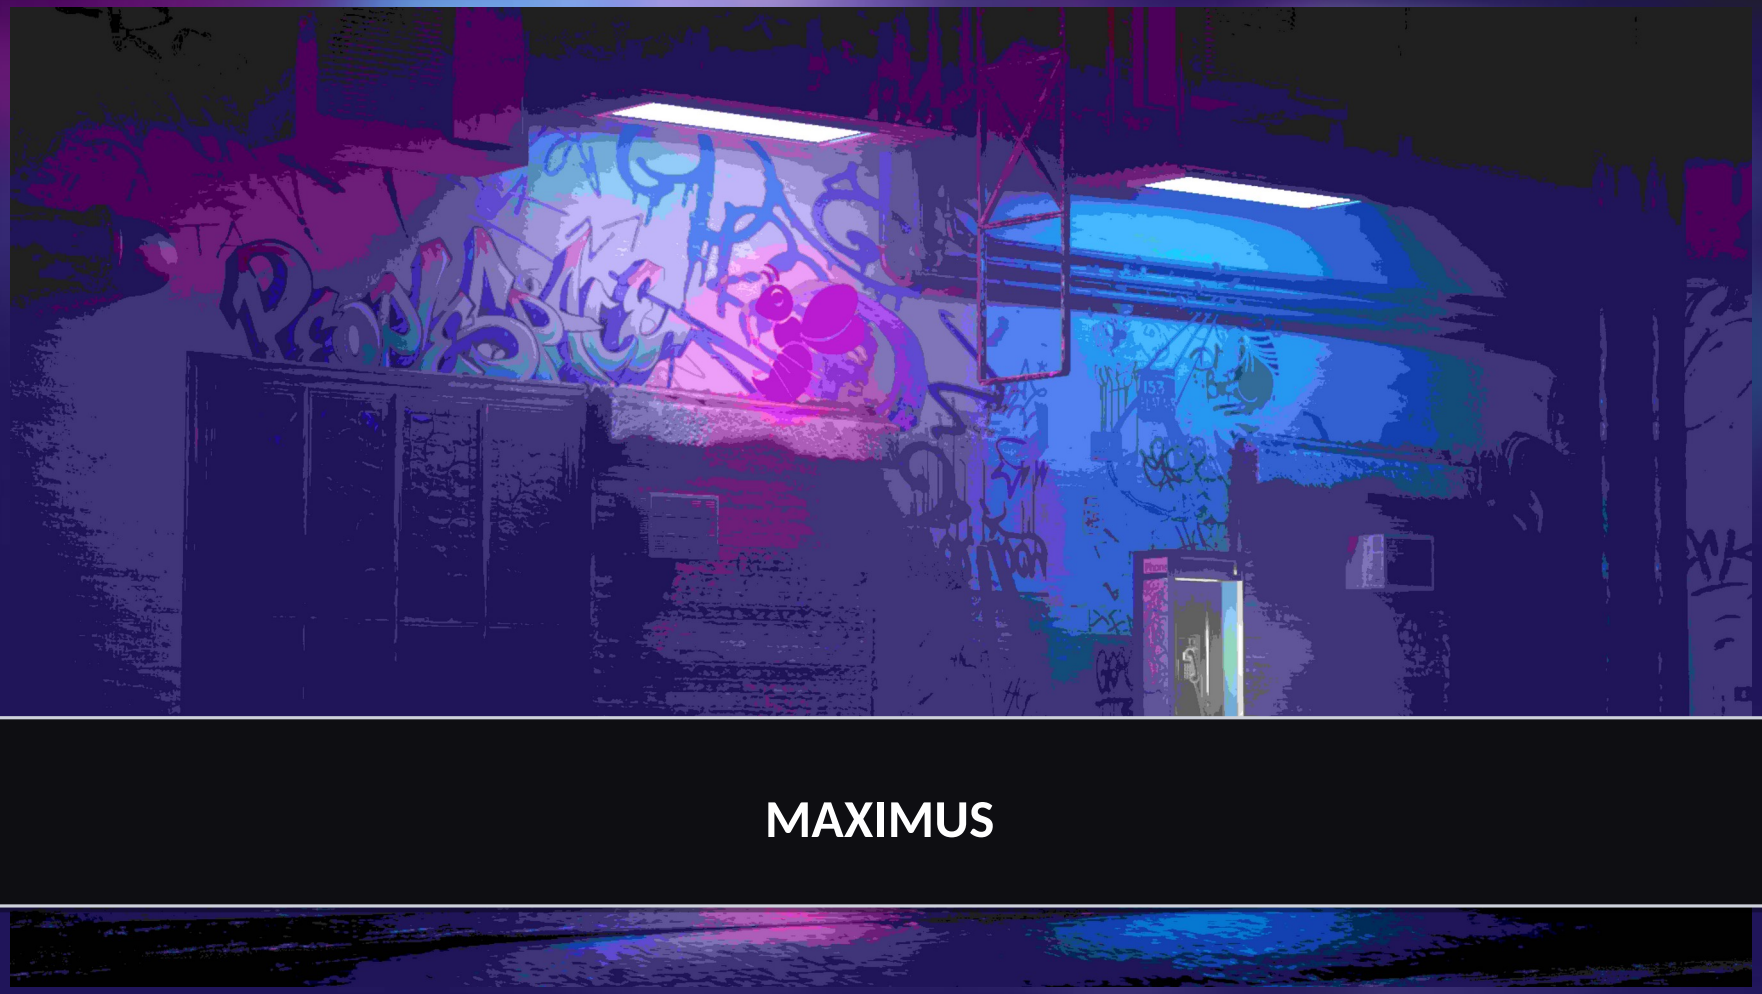


When MAXIMUS is pulled into a tense situation he does not fully understand, he must navigate mounting pressure before everything collapses.



As pressure mounts around MAXIMUS, incomplete information and rising tension force increasingly risky choices. What first appears to be one kind of threat gradually reveals itself to be something more complicated, pushing the story toward a reversal that challenges the protagonist's assumptions.

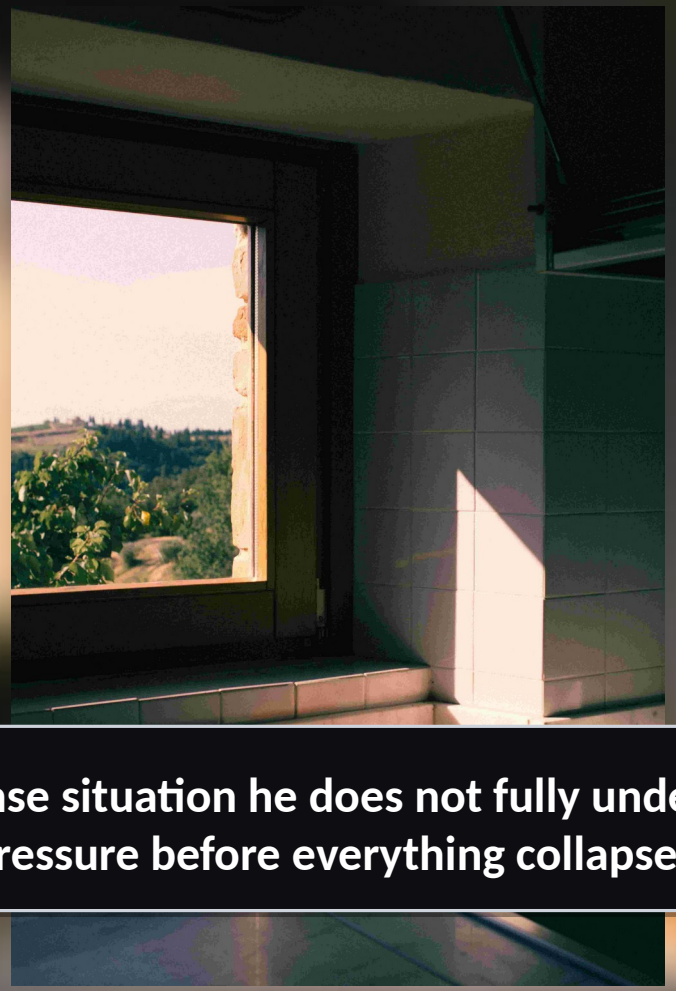
Protagonist



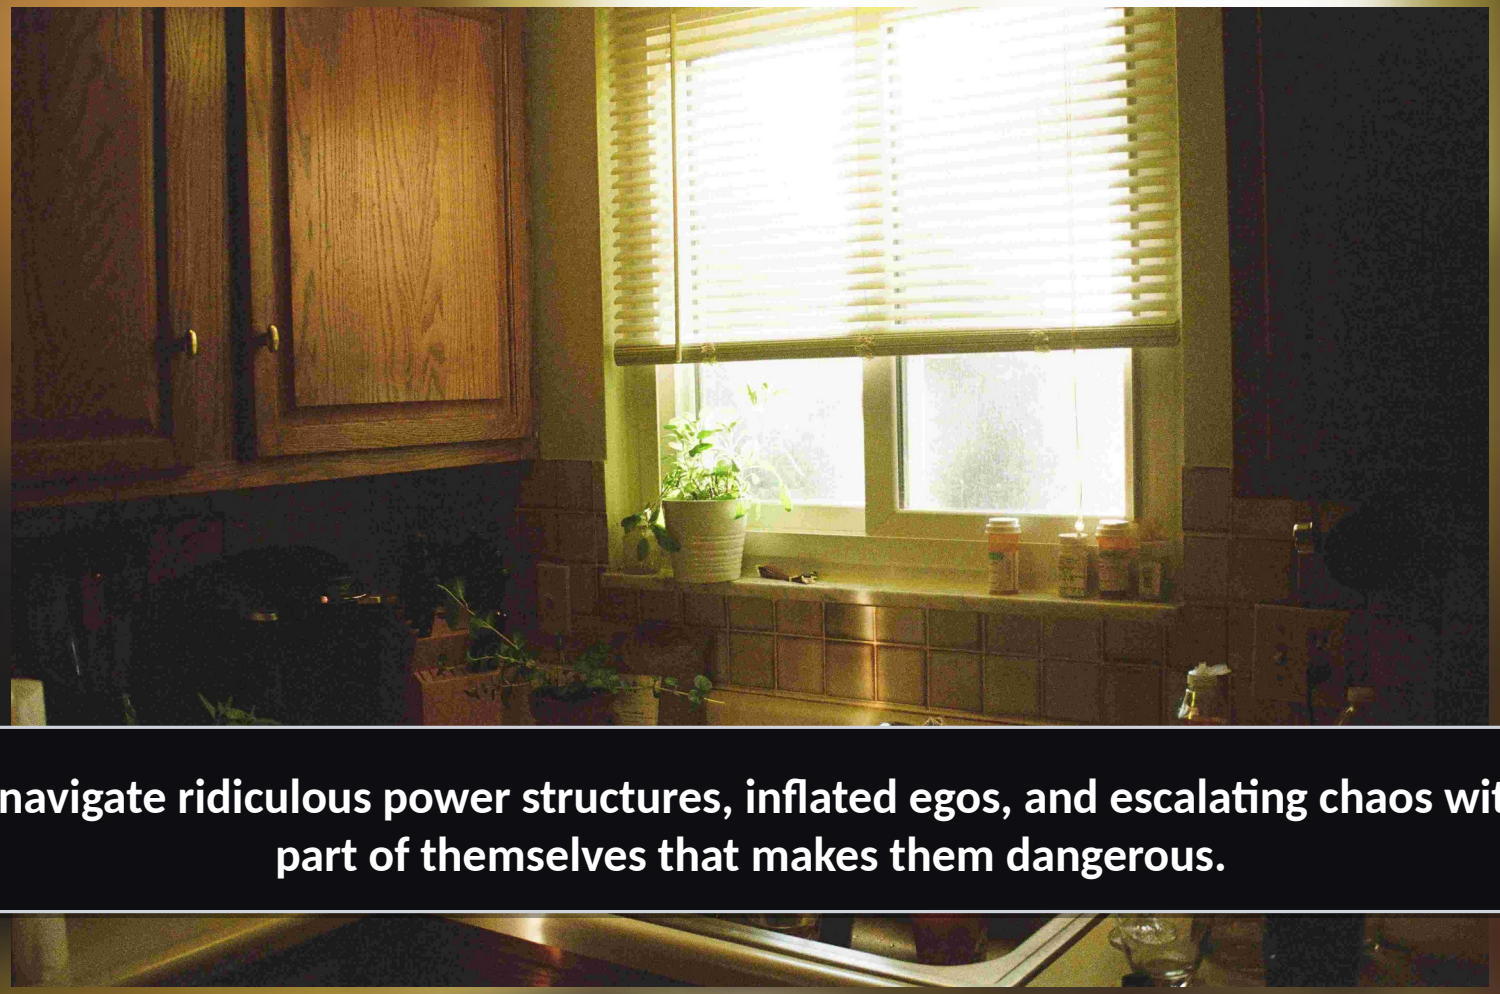
MAXIMUS

feature / fantasy satire comedy

Hook

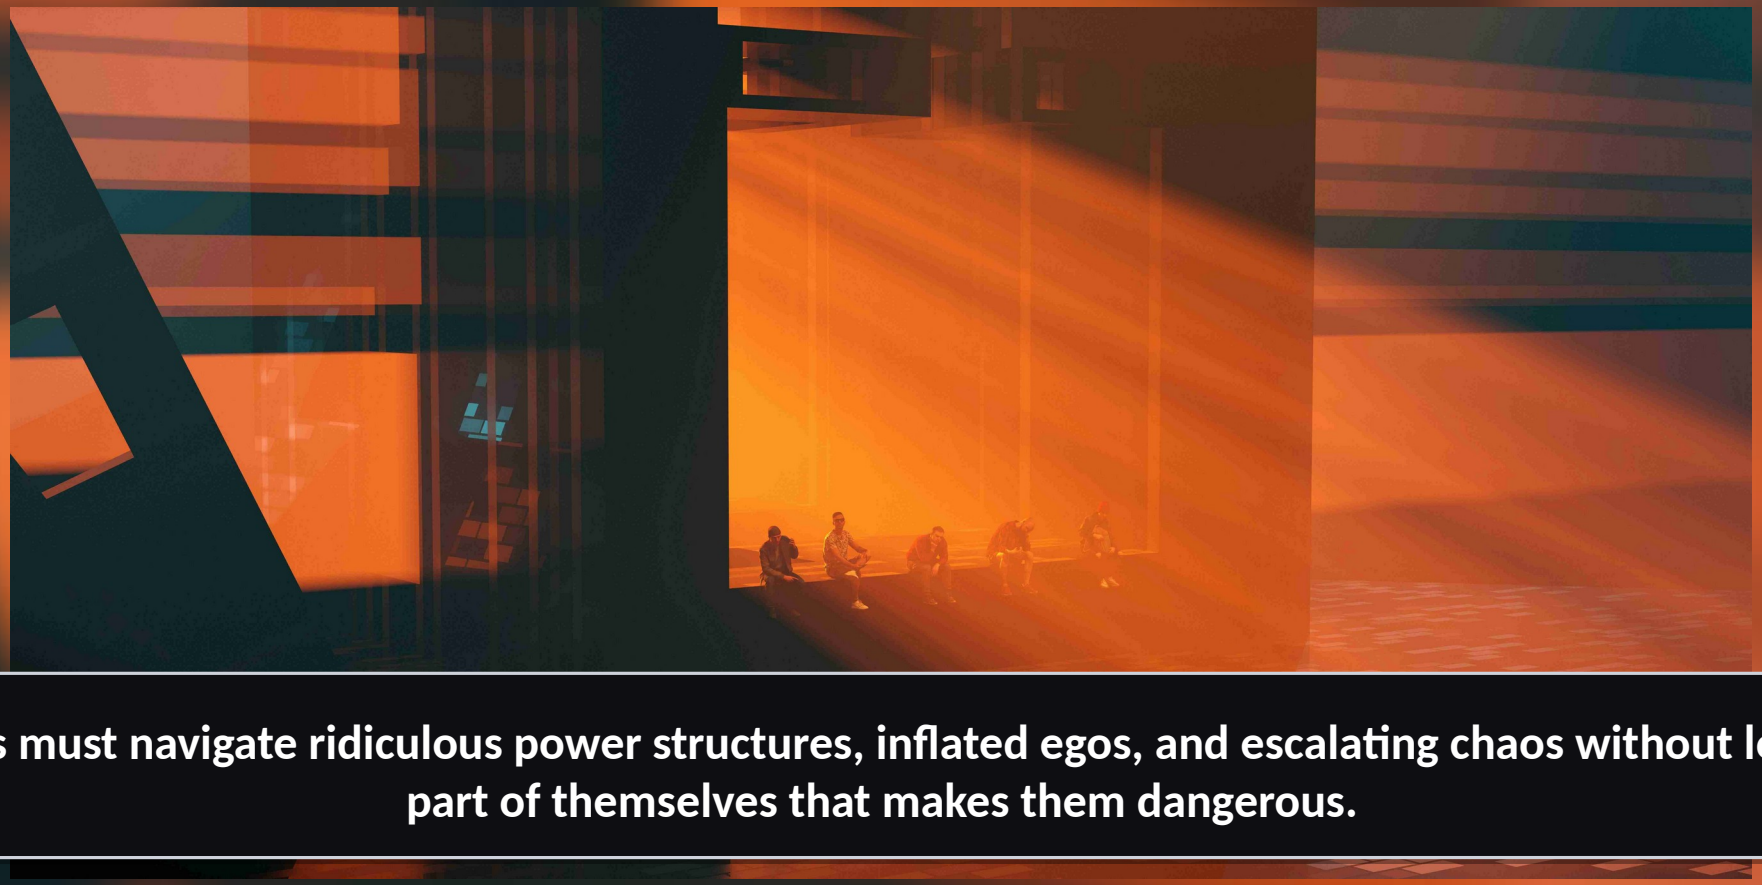


When MAXIMUS is pulled into a tense situation he does not fully understand, he must navigate mounting pressure before everything collapses.



Maximus must navigate ridiculous power structures, inflated egos, and escalating chaos without losing the part of themselves that makes them dangerous.

Stakes



Maximus must navigate ridiculous power structures, inflated egos, and escalating chaos without losing the part of themselves that makes them dangerous.
